

DEAD DRO

VODKA

40% ALC BY VOL

80 PROOF

Dead Drop Vodka is distilled from 100% American grain. Proofed using the limestone-filtered water from our historic artesian well dating back to the 1830's.

TASTING NOTES

On the nose, soft grain appears alongside a unique minerality provided by the limestone-filtered water from our artesian well. Clean flavors of slate appear on the palate alongside honeysuckle and fresh citrus before quickly giving way to a refreshing, mild finish.
